WAIT	**0**	**0**
From the 11-axis rubric. Cannot be over-ridden by builder.	No regulatory caps triggered.	Major red flag — no banks listed.

PREVIEW

5 TALKING POINTS — USE VERBATIM

1. "No banks appear on the published APF list for this project. Show me written approvals from at least 3 banks before I sign anything."

2. "I will not sign anything today. I am entitled to 72 hours of cool-off. Anything we agree verbally, please put on company letterhead and email me by tomorrow."

3. "Maintenance corpus structure — show me the resident welfare association formation timeline + first 2-year corpus controls."

4. "Walk me through the exact unit handover quality-acceptance protocol — what specifically can I refuse at handover and what happens then?"

5. "Walk me through the exact unit handover quality-acceptance protocol — what specifically can I refuse at handover and what happens then?"

3 WALK-AWAY TRIGGERS — STOP THE NEGOTIATION IF

1. Builder refuses to show the original sanctioned plan stamped by Bengaluru BBMP/MCGM/GHMC — this is a non-negotiable transparency requirement.

2. Builder pressures for a same-day booking amount payment with no written cool-off clause.

3. Builder cannot produce APF letters from at least 3 named banks in writing.
